# Achieve

## More With Employers Health.

With our dedicated team, you will experience unmatched service and exceptional experience, each time, every time.

### Better Experiences

Simplified supplier management so your team can devote their attention to other strategic priorities.

Dedicated teams built to enhance results and improve your experience.

An advocate for your plan and its participants.

Unbiased resources and expertise through a wide array of educational events, webinars, e-newsletters and benchmarking surveys.

### Better Costs

Leverage the purchasing power of 350+ plan sponsors and reduce administrative costs.

Annual market checks ensure plan sponsors benefit from the most competitive PBM pricing and contractual terms available.

Custom initiatives and clinical solutions that eliminate high-cost, low-value services.

No-cost independent third-party audit.

### Better Outcomes

250+ evaluations in 2023 by most major pharmacy consultants.

Engaged plan participants resulting in better adherence and compliance.

Aggressive performance guarantee.

Proactive plan management to set goals, review performance and satisfaction.
