HOW IT WORKS

Blending conventional and complementary care, Goodpath individualizes each member care plan to drive a better experience than single point solutions.

Whole-person approach

Integrative care model driven by 20+ medical disciplines

Addresses the primary symptom (such as back pain) and contributing factors like sleep, diet, stress, and more

Plans personalized to each case and preferences

"I'm finally sleeping! I feel like me again!"
Sylvia H.

Sleeping
8 hours now,
not 4

Anxiety Level rating
(GAD-7) dropped
from 6 to 1

Engagement-driven care

CUSTOM CARE

With one assessment, you will receive a tailored care plan built for your unique situation

DEDICATED SUPPORT

You will be paired with a dedicated Goodpath health coach who has a master's degree in a clinical specialty

ACCESS FROM ANYWHERE

Access exercise therapy, mind-body techniques, and more through the Goodpath app

MONTHLY DELIVERY

Every physical item, supplement, or device you need is shipped to your home each month

EQUITABLE OUTCOMES, CFO-FRIENDLY RESULTS

It's care that works for every population, is easy for your benefits team to administer, and fits seamlessly into your existing benefits ecosystem.

ROI guarantee

"Our response levels with Goodpath have been great – twice as many employees are engaging with care than we expected. I'd recommend Goodpath to other benefits leaders!"

- Hem Patel, VP Total Rewards, Moderna

"I wholeheartedly recommend Goodpath's program. Goodpath combines the human touch of expert coaching, convenience of digital access, and the delight of a monthly subscription box. It's a winning combination that can effectively drive engagement, better outcomes, and reduced costs."

- Dr. Rosemary Ku, Chief Medical Officer, UnitedAg (an EHIR member)

"Goodpath 'cracked the code' with this employer."

- Mercer Consultant, Referring to an office and manufacturing employer
